Have Your Voice Heard

By signing up for Catholic Voice North Carolina. CVNC is a site operated under the two NC Bishops, Burbidge and Jugis. It allows them to mobilize the Catholic population of NC during critical legislative action. When the situation warrants, the bishops inform Catholic Voice NC participants, via e-mail alert, of an important matter. Participants are often asked to contact their elected representatives to ensure that a Catholic viewpoint is taken into consideration. As voters, Catholics have the responsibility to examine public policy in the light of the Church's fundamental teaching on the sacredness and dignity of human life and other important issues. Rally for Life

This is the biggest local pro-life event of the year! Last year, around 1,200 to 1,400 people gathered in Nash Square (corner of McDowell & Harget streets) to affirm life. A Mass for Life celebrated by Bishop Burbidge will kick off the morning and is followed by a rally specifically for youth. It is hosted by the diocese and will include talks and music by featured vocalist Alyse Player. There will also be a prayer breakfast hosted by NC Right to Life during that time. A 1 mile march past the court house will follow. Be a voice for the voiceless on January 14th, 2012!

March for Life

2012 will mark the 38th anniversary of Roe v. Wade, the US Supreme Court decision that made abortion legal in the US. Late in October 1973, grassroots prolife leaders became concerned that January 22, 1974 might come and go without properly memorializing the Supreme Court's infamous abortion decisions and without petitioning Congress for redress. On January 22, 1974, the first March for Life was held on the West Steps of the Capitol. Today more than 300,000 marchers join to show solidarity on the principle that our state & federal laws ***"shall protect the right to life of each human in existence at fertilization."*** Please join us on January 24th, 2012. Said Cy Mogan of the march in 2011, *"An overwhelming sense of hope filled the air as people of all ages, sizes, skin color and backgrounds spoke in unison for the preborn."* This year we will caravan up the day before and stay overnight to make the trip more family friendly and fun!
