

NEWS MEDIA INTERVIEW/PICTURE PERMISSION

August, 2008

Dear Parent/Guardian,

Local media frequently want to interview students to add a personal touch to stories. At times we take pictures to go along with the interviews. Students' comments may be used in newspapers, publications, web pages, or broadcast on radio or TV. The school system monitors these presentations to ensure that they may reflect positively on the children involved. This form allows you as a parent or guardian to choose whether your child may be interviewed or not.
